Supporting Partners

Come watch pro rider and Olympian Tony Cruz compete against some of the top clubs in Southern California in this one-of-a-kind event for charity.

In two years, the Tour de Pier has raised over \$1 Million dollars for cancer charities by taking indoor cycling to the great outdoors. Now, by combining Zwift's revolutionary multi-player cycling game and the world's most powerful indoor trainer, the Wahoo Kickr, four top club teams will hammer to win up to \$5,000 for the benefiting Cancer charities. Zwift's online community of over 20,000 riders from around the world will also be riding together during the week leading up to the event to raise up to \$5,000, as well. Thanks to this amazing partnership we hope to raise over \$10,000 and take the Tour de Pier global.

The Tour de Pier Challenge will benefit the Hirshberg Foundation for Pancreatic Cancer Research, Uncle Kory Foundation and Cancer Support Community Foundation of Redondo Beach.
